9/27 Nader Press Conf - Economic Summit

Betty Furness
private interview w Nader

000 - Mini Summit in response that consumers left out of Econ Summit Mtg. (audio poor)

137 Betty Furness - good audio - "we have been told out of our mouth of the administration that the consumer is responsible"

171 "We are the ones who pay the bill - consumers are at the end of the line - shocked & distressed that this mtg. is representing all major interests & none of the consumers"

206 later? - agrees w Glen Haas re: consumer need to be represented "trying to speak for all the people that were left out" "now its time for Pres. to call a mtg. & meet with people who are really hurting"

246 "The Pres. has got to realize that we are a mtg. during a period of great distrust - the people say who can we believe - they need more leadership..."
